

## BUSINESS DISCOUNT PROGRAM

*This exclusive employee discount program is a great no-cost benefit for employers to provide as a way of saying thank you for being part of your team. Any business may take advantage of the program.*

### BENEFITS

- Little or no cost to the host organization. Hosts can choose to subsidize memberships or not. Either way, employees or members receive a membership to NLP with a 20% discount.
- Happier and more productive employees. Employees who have an active social life tend to be more cheerful and productive at work.
- Employee retention. Happy employees who develop a circle of friends and are active after hours tend to stay in the community longer.
- Employees or members will appreciate that their employers are looking out for their best interest. While many organizations are forced to cut back on benefits, you will be able to offer employees a reduced rate membership at NLP.
- Fewer sick days and reduced health care expense. Since NLP programs involve regular physical activity and fitness employees will enjoy better health.
